Head Start School Supplies

The Historic Carter House Society, Inc. (HCHS) is once again sponsoring a drive to collect school supplies for the Head Start School located near the

entrance to Carter Plantation. The school is in need of all types of supplies. To collect these supplies, we have a box setup in the Springfield Dollar General Store. This is convenient if you would like to purchase items there and drop them in the box on your way out. They would like to have all items collected by August 8th. If you purchase items at other stores, you can contact the following people to make arrangements to get your items to them.
