HCHS Easter *Eggstravaganza* was a huge success. Members are now brainstorming for next year to identify what can be done better, and they would love to have your input. If you participated and liked this event, please like the HCHS on their [facebook](#) page.

Thanks to all of you who came out to help support the Carter House.

Many thanks to our talented CP residents who had craft booths. Please keep these ladies in mind for your gift giving needs and snacks for any upcoming event you may have:

Thank You to Patti Sollie for her donation of bags full of plastic eggs that volunteers filled with goodies for the *Kids Easter Egg Hunt*.

Thanks also to Photographer, Jan Husser, an HCHS member, who donated her time to help create

beautiful memories. Check out Jan's work when you need a photographer.

Finally, **many thanks to all of the HCHS members** who donated decorations, snacks, and their time to make this event so much fun for all in attendance, especially the kids.

The Carter Ladies Bible Study Group will be starting a new study series. **This one requires no reading or homework** – you just need to watch a television show! The group will be doing this study on *The Chosen*, a drama series which presently has 2 seasons of 8 episodes each. You can view the series on **Prime Video, VUDU, the Vudu Movie & TV Store, Apple TV, Angel Studios** or **BYUtv** (on Roku devices). You can also download *The Chosen* app, which is free.

During this coming week, you can look at the information contained in the app and/or view any of the episodes that look interesting to you. Over the coming weeks, the group will figure out a way to view some of the episodes together, find a way to dig deeper during group sessions, and discuss them when they gather on Mondays at 7 PM.

They hope that you will be able to join them beginning on Monday, May 2nd at Linda Mundinger's home, 23877 Carter Trace, as they kick off this new study of the series that has been reviewed as an interesting combination of biblical truth and creative interpretation that brings the story of Christ's ministry on Earth to life. On this coming Monday, they will view the pilot episode that sets off this series and sees the birth of Christ come to life.
