***and***  
***Springfield Bulldog Baseball***

***If you did not received the flyer, or need additional information, please contact Chris Blanchard at [Cblanchard0401@gmail.com](mailto:Cblanchard0401@gmail.com).***

## **New Street Signage**

**Many compliments have been received in regard to the installation of our new street signage. While some additional work remains, almost all of the old, deteriorating signage has been replaced, and some new ones added to increase safety.**

**Also, new crosswalk markings were installed from the Clubhouse parking lot to the sidewalk by the swimming pool, and all golf cart crossing warning stripes have be re-painted. This was a joint project of the CPCA and the CDD, and special thanks go out to Gene Powell, Dom Gendusa, and Mike Simoneaux for their work on this project.**

## **Water Switchover Update**

**Because of weather delays on other jobs, the painting contractor will not begin work on the painting of the water well storage tank until at least Tuesday, September 3<sup>rd</sup>. As a result, the switchover to water from the Town of Springfield has been delayed until near the time that the work will begin. We will alert you when the switchover will take place so that you can monitor your water.**
